Feel the Connection

12. 12. 2019 FER

To feel the connection, first, we have to **make the connection**. Career Speed Dating has provided a platform for **businesses and students** alike to achieve the desired connection for the fourth year in a row.

The recipe for good connection consists of **several ingredients**. We have **four** of them:

- **the organizers; FER Career Center and student association eSTUDENT**
- **a special Thursday in December, to be more precise December 12th, 2019**
- **great location (Faculty of Electrical Engineering and Computing, University of Zagreb, Unska 3, Zagreb)**
- **more than 200 students attending technical and STEM-oriented universities**

There is only **one** more missing ingredient, and that is where **you** come in.

Career Speed Dating is offering you the chance to **review resumes** from all potential participants, to **get feedback** from interviews, and to **promote** on social media, web pages and the Career Speed Dating official poster.
